DREAMer students, including undocumented, DACA and ASSET students, may be considered for institutional aid at the Community College of Denver (CCD). In order to review your eligibility for institutional aid at CCD, you must submit this form and complete CCD's scholarship application at www.ccd.edu/scholarships (click "Apply for Scholarships Now!").

Important- Your file WILL NOT be reviewed if both this DREAMer Income Information Form and your Scholarship Application are not COMPLETE.

Use your 2016 IRS federal tax form to complete the income-related items below. DREAMer students should not complete the online FAFSA.

Please note: If you are not classified as a DREAMer student, filling out the FAFSA (regardless of whether or not you think you qualify) is in your best interest. The FAFSA determines your eligibility for federal and state financial aid like loans, work-study and grants. Also, filling out this form DOES NOT guarantee that you will be selected for institutional aid like CCD scholarships.

If you are currently classified as a non-resident for tuition purposes and would like to review your eligibility for Colorado residency so that you may be charged in-state tuition amounts, please see www.ccd.edu/ASSET or contact the Admissions Office at 303-556-2420. Colorado residents are given priority when awarding institutional aid like scholarships.
