

DSF Scholars are eligible to renew the DSF Scholarship for up to four consecutive years. If you are enrolled in an undergraduate degree program which requires more credits for completion than the traditional degree, you may qualify for the DSF Scholarship for one or more additional terms (but no more than one academic year of additional scholarship support).

DSF Scholar Name (Please print): _____

Date of Birth: _____ Student ID: _____

Major: _____

Degree Type (check one): Certificate AAS Associate's BAS Bachelor's

You must meet **all** of the following Eligibility Requirements to receive an extension:

1. Successfully completed the DSF Scholarship renewal process for the new academic year, **and**
2. Have been a current DSF Scholar in good standing for the full 2018-19 Academic Year, **and**
3. Met all DSF Scholarship academic requirements (SAP, SSRs, not on academic/financial aid probation) in the most recent academic year, **and**
4. Are enrolled in and have made adequate progress towards completion of one of the following qualifying degree types:
 - o Degree program at a Technical College that requires a **minimum of 35 credits** for completion; **or**
 - o Degree program at a Community College that requires a **minimum of 65 credits** for completion; **or**
 - o Degree program at a Community College that requires a **minimum of 120 credits** (a Program Extension may be approved for a total of up to two academic years of additional scholarship support, equivalent to a 4-year college/university); **or**
 - o Degree program at a 4-Year College/University that requires a **minimum of 125 credits** for completion.

Complete **ALL** of the following steps:

- Review this authorization form with your college's [Campus Contact](#) or Academic Advisor.
- Obtain an official or unofficial **transcript** from your institution demonstrating you are enrolled in one of the qualifying degree programs listed above.
- Obtain your **degree plan** (e.g. CAPP report, Degree Works, etc.) demonstrating:
 - the courses and credit hours required for completion **and**
 - your progress towards completion.
- Both you **AND** your institution's Campus Contact or Academic Advisor must sign and date this application.

Upload this signed application with a copy of your college transcript and degree plan to DSF no later than **July 15 at <https://denverscholarship.org/contactus>.**

Authorization & Certification:

I, the DSF Campus Contact/Academic Advisor from _____, have reviewed the student's information and can confirm he/she is enrolled in one of the qualifying degree programs listed, has made adequate progress towards his/her degree, and is in good academic standing.

DSF Campus Contact Signature: _____ Date: _____

By submitting this application, I acknowledge that I met all of the requirements listed above and understand that this application does not guarantee approval of extension. If approved, I understand that I must continue to meet all other DSF Scholarship requirements to be considered for future awards during the program extension. I understand the program extension is for one or more additional term(s) but no more than one academic year of additional scholarship support.
