Johnson & Wales University (JWU) Student Resources for 2020-21

Student Support Programs

The Denver Scholarship Foundation wants every college student to successfully complete a college degree or certificate. Below are some helpful resources and programs that are available at JWU.

- **Emerging Leaders Series** – this program is available to all first-year and transfer students who want to learn about and engage in leadership. As an ELS member, you will design Campus Impact Projects that develop your leadership skills and take part in weekly seminars. You will learn leadership skills, have the opportunity to network and learn from fellow leaders around campus, and work on a team project that make a positive impact at JWU. <https://www.jwu.edu/campuses/denver/life-on-campus/student-leadership/index.html>
