Student Resources for 2020-21

Student Support Programs
The Denver Scholarship Foundation wants every college student to successfully complete a college degree or certificate. Below are some helpful resources and programs available at Western.

- EPIC Mentorship Program (Experience Peers Initiating Connections) – Each student is paired with an EPIC mentor to guide through the summer before and during the first year at Western. Mentors are upperclassmen who are empowered to provide resources to help other students with navigating the campus and greater Gunnison community.
