Museum of Contemporary Art- Denver Failure Award Scholarship	3/1	National	0.00	\$10,000	12TH	Museum of Contemporary Art Denver awards annually over \$10,000 in college scholarships to the next generation of creative graduating seniors who have risked failure in pursuit of something new. While so much of student life is focused on achievement, MCA Denver believes that in order to create something original and authentic, it is necessary to risk failure. The Failure Awards are based on documentation of a project the student created or produced that demonstrates originality and creativity. This can be a creative project, like a novel, a play, an opera; a technology-based project like a design for a new car, or a spaceship, or a robot; or something that falls outside of these criteria altogether. Some projects may present solutions to problems in the world, however, all projects will be considered, no matter how harebrained, impractical, or absurd.	<a href="https://mca-denver.org/scholarships">https://mca-denver.org/scholarships</a>

Aviation Scholarships	7/1	Colorado	0.00	\$2,500	12TH	<p>We at the Colorado Pilots Association recognize the need to continue growing the population of pilots in Colorado. To that end, we have taken a two pronged approach, offering scholarships for Private Pilot, and Certificated Flight instructor training. Up to two scholarships annually are available in each area, valued at \$2500 each.</p> <p>We shifted in 2020 from academic to flight training scholarships, in hopes of building the number of pilots in our great state. While we struggled to attempt to include financing all aspects of flight training like FAA exams and examiner's fees, in the end we streamlined the process, intending to fund strictly aircraft (and possibly simulator) rental, and Instructor fees. We recognized that our awards, while substantial, are not complete funding for the certificates sought by our applicants.</p> <p>The deadline to apply for any scholarship is July 1st annually. The scholarship committee will review all applications, certifications, and letters of recommendation in early July. We will contact applicants in mid to late July to schedule a virtual interview, either via telephone or video conference. The awards of scholarships could happen as early as the end of August. Funds will be deposited in the accounts of the winners at their flight school. Scholarship winners, and guests are invited to attend our annual meeting in November, and the winner and a guest are invited to attend our annual holiday party in December.</p> <p>Various Scholarships for students interested in an Aviation career. Central Intelligence Agency: Undergraduate Scholar Program	7/7	National	3.00	Full Cost of Attendance	12TH Undergraduate	<p>Must be a high school Senior or college Freshman or Sophomore, and meet all requirements. Applicant must also plan to major in Computer Science, Economics, Electrical Engineering, Foreign Area Studies, or non-Romance Foreign Languages. Recipients must be available to work in metropolitan Washington, DC for at least 90 calendar days each summer while in college. Submit application online.</p> <p>The Undergraduate Scholar Program was developed, in part, to assist minority and disabled students, but application is open to all students who meet the requirements. The program offers unmatched experience. You'll complete work sessions during each summer break, increasing your knowledge and job responsibilities while assisting intelligence professionals and applying your academic skills.</p> <p>We believe in challenging our Scholars with meaningful work that relates to their college major. An IT major, for example, might be given increasingly complex projects involving sophisticated computer systems. An engineering major might help produce a piece of state-of-the-art equipment. A finance major could be involved in developing and analyzing budgets for a worldwide operation. A foreign language major might be instrumental in translating documents for US policymakers. As a final example, a human resource major could have the opportunity to develop and implement personnel policies and procedures.</p> <p>If you are part of the CIA's Undergraduate Scholar Program you will be given an annual salary; an optional benefits package that includes health, dental and vision insurance, life insurance, and retirement; and up to \$18,000 per calendar year for tuition, mandatory fees, books, and supplies. You'll be required to work at an Agency facility in the Washington, D.C. metropolitan area during summer breaks and to maintain full-time college status during the school year with a minimum cumulative 3.0/4.0 GPA. We will pay the cost of transportation between school and the Washington, D.C. area each summer and provide a housing allowance.</p> <p>Undergraduate scholarship participants are required to work for at least one 90-day session before graduation and be employed by the CIA after graduation for a period of 1.5 years for each year of paid scholarship.</p>	<a href="https://www.cia.gov/careers/student-opportunities/undergraduate-scholarships.html">https://www.cia.gov/careers/student-opportunities/undergraduate-scholarships.html</a>
