Akash Kuruvilla Memorial Scholarship	6/30	National	3.50	1000 (500/semester)	12TH	<p>The Akash and Shai Kuruvilla Memorial Scholarship Fund, Inc. was formed in the Fall of 2007 to remember the life of Akash Jacob Kuruvilla and to continue his legacy of excellence and generosity posthumously. Having committed to honor, leadership, diversity, integrity, loyalty and wisdom, Akash Kuruvilla influenced a multitude that had the pleasure of being in his presence. The ideal scholarship recipients will embody those same principles and shall be committed to positively affecting the community throughout their collegiate years and beyond.</p> <p>In 2007 when we were deeply affected by the passing of Akash Kuruvilla, we believed that the best way to remember him was by giving others the chance to pursue a college education. To date, we have helped 12 scholars chasing the American Dream. This past December, the lives of the Kuruvilla Family and AKMSF Team were once again changed by the untimely passing of Akash's sister, Shai Kuruvilla. In the time that we had with Shai, she was a source of generosity, gentleness and joy. Her life will forever be remembered by those who had the opportunity to know her. She had the ability to bring a smile to anyone's face with her sense of humor and witty personality. In short, she became a sister to all of us involved in this endeavor.</p> <p>We, in conjunction with the Kuruvilla Family, have decided to change the official name of our fund to the Akash and Shai Kuruvilla Memorial Scholarship Fund to memorialize two very special individuals who have profoundly changed our lives. We will also be increasing the number of scholarships we award each year. We hope that the spirit of Akash and Shai will illuminate the lives of our scholars, who will in turn carry on that legacy in their future accomplishments.</p> <p>The Akash and Shai Kuruvilla Memorial Scholarship is awarded annually to 3 recipients in the amount of \$1000 for each recipient with \$500 given at the beginning of the academic year and \$500 given at the midpoint of the academic year upon maintaining GPA requirements and enrollment as a full time student. Eligible applicants must be enrolled full-time in an accredited college or university in the United States and be pursuing a Bachelor's degree. This scholarship is open to any field of study. Candidates for this scholarship must meet all of the requirements outlined in the online application by the appointed deadline. Late applicants will not be considered. The ideal candidate must demonstrate excellence in leadership, diversity, integrity and academia. The selection committee will also base its decisions on financial need, content of character and the candidates potential to make an impact on his/her peers and community.</p>	http://askmsf.com/aboutAkmsf.html

An IT major, for example, might be given increasingly complex projects involving sophisticated computer systems. An engineering major might help produce a piece of state-of-the-art equipment. A finance major could be involved in developing and analyzing budgets for a worldwide operation. A foreign language major might be instrumental in translating documents for US policymakers. As a final example, a human resource major could have the opportunity to develop and implement personnel policies and procedures.</p> <p>If you are part of the CIA's Undergraduate Scholar Program you will be given an annual salary; an optional benefits package that includes health, dental and vision insurance, life insurance, and retirement; and up to \$18,000 per calendar year for tuition, mandatory fees, books, and supplies. You'll be required to work at an Agency facility in the Washington, D.C. metropolitan area during summer breaks and to maintain full-time college status during the school year with a minimum cumulative 3.0/4.0 GPA. We will pay the cost of transportation between school and the Washington, D.C. area each summer and provide a housing allowance.</p>	https://www.cia.gov/careers/student-opportunities/undergraduate-scholarship-program.html

museum of contemporary art denver failure fair scholarship	3/1	National	0.00	\$10,000	12TH	<p>Museum of Contemporary Art Denver awards annually over \$10,000 in college scholarships to the next generation of creative graduating seniors who have risked failure in pursuit of something new. While so much of student life is focused on achievement, MCA Denver believes that in order to create something original and authentic, it is necessary to risk failure. The Failure Awards are based on documentation of a project the student created or produced that demonstrates originality and creativity. This can be a creative project, like a novel, a play, an opera; a technology-based project like a design for a new car, or a spaceship, or a robot; or something that falls outside of these criteria altogether. Some projects may present solutions to problems in the world, however, all projects will be considered, no matter how harebrained, impractical, or absurd.</p> <p>Eligibility: Students who meet ALL of the following criteria are eligible to apply - Will graduate from a Colorado high school in the spring of 2016 - Will attend an accredited four-year college or university in the fall of 2017 Note: Projects of all types will be considered, including, but not limited to visual arts, performing arts, fashion, technology, design, and others.</p>	https://mcadenver.org/scholarships
