Student Resources for 2020-21

Student Support Programs
The Denver Scholarship Foundation wants every college student to successfully complete a college degree or certificate. Below are some helpful resources and programs that are available at CCD.

- **SEED: Students Empowered Educated Determined** – supports the successful transfer of DSF Scholars from CCD to any four-year institution, with special attention to scholars transferring to either CU Denver or MSU Denver. [https://www.ccd.edu/administration/non-academic-departments/resource-center/denver-scholars](https://www.ccd.edu/administration/non-academic-departments/resource-center/denver-scholars)
  - If you are interested in participating in the SEED program starting in the Fall, please complete this interest form: [https://goo.gl/forms/lpJ3r5iiRsqTUxQC3](https://goo.gl/forms/lpJ3r5iiRsqTUxQC3). Your contact information will be provided to the DSF SEED Advisor, and we will follow-up with you after the DSF application closes in April.

- **TRIO Student Support Services** – provides comprehensive academic, financial and personal guidance within an active community of students and staff. All TRIO SSS participants are overcoming obstacles to higher education—such as limited income, first generation to college, or disability—en route to graduation and transfer. [https://www.ccd.edu/org/trio-student-support-services](https://www.ccd.edu/org/trio-student-support-services)

- **UMI: Urban Male Initiative** - This unique program serves all male students of CCD by recognizing the unique challenges you face as an urban male. Through UMI, CCD works to develop leaders who are ethically disciplined, morally wise, and intellectually capable. [https://www.ccd.edu/administration/non-academic-departments/academic-advising-student-success-center/umi](https://www.ccd.edu/administration/non-academic-departments/academic-advising-student-success-center/umi)

- **WISE: Women Intentional about Success & Excellence** - Empowering women through educational, leadership and professional development is the overall objective of WISE. WISE strives to ensure participants have access to resources, programming, and services that will meet their needs while creating a campus climate that is cognizant of gender issues faced by women students. [https://www.ccd.edu/administration/non-academic-departments/resource-center/women-intentional-about-success-excellence](https://www.ccd.edu/administration/non-academic-departments/resource-center/women-intentional-about-success-excellence)

- **Accessibility Services** – committed to serving students with disabilities and believes everyone should have access to the resources they need to reach their academic potential. The AC opens the door to a rich college experience by providing services, resources, and reasonable accommodations for students with disabilities.
