Student Resources for 2020-21

Student Support Programs
The Denver Scholarship Foundation wants every college student to successfully complete a college degree or certificate. Below are some helpful resources and programs available at CSU-P.

- TRIO Student Support Services (SSS) – purpose is to increase the retention and graduation rates of low-income, first generation students and students with disabilities. This is accomplished by providing supportive services such as: academic action planning, tutoring, and monitoring of student academic progress. - President’s Leadership Program - an academic leadership program at Colorado State University-Pueblo designed to develop multi-culturally competent transformational leaders, who will serve Colorado and the communities in which they live and work. PLP scholars work and learn in community, educational, and corporate settings to develop skills throughout their participation in the PLP program.
