Student Support Programs

The Denver Scholarship Foundation wants every college student to successfully complete a college degree or certificate. Below are some helpful resources and programs that are available at FRCC.

TRIO STUDENT SUPPORT SERVICES (WESTMINSTER CAMPUS)

TRIO participants will develop in meaningful ways as you are empowered to grow personally, academically, and professionally through community involvement, small group learning and individualized coaching.

CHILD CARE PROGRAM

a program for students with children under the age of 12. FRCC was selected for a federal grand program that will help cover monthly child care costs for students. Up to 60% of your child care costs could be covered.

The program looks to help students succeed and help with financial burdens that may create challenges for college success.

SINGLE PARENT PROGRAM

A free program offered to any single-parent student who is pursuing a degree or technical certificate at FRCC Larimer Campus. The program supports single-parent students by giving them access to numerous tools and resources intended to help them stay in school and earn their degrees or certificates.

TRIO SSS (BOULDER COUNTY CAMPUS)

Front Range Community College's Boulder County Campus has a new TRIO Student Support Services (TRIO SSS) program! As a part of the first cohort of students, you'll get personalized support, and the chance to help us build a program to meet the needs of your fellow Wolves at FRCC. We will grow together as a family and set a strong foundation for future SSS Scholars!
