Student Support Programs

The Denver Scholarship Foundation wants every college student to successfully complete a college degree or certificate. Below are some helpful resources and programs that are available at NU.

UNDERGRADUATE ACADEMIC ADVISING

Advisors are student advocates who assist students in making well-informed decisions regarding their education. This process includes helping students to clarify their interests, strengths and goals, as well as assisting them in developing their decision-making skills.

ACADEMIC COACHING PROGRAM

offers personalized academic coaching to students who want extra support to successfully meet their academic goals. Staffed by trained and experienced graduate students, the Academic Coaching Program provides one-on-one study skills and time management tutoring, as well as workshops and in-class presentations to develop and enhance students' academic competencies.
